a message from the camp administration

Thanks for your interest in employment at Beth Tfiloh Camps!

Working with children in an out-of-doors group setting is hard work, but it can also be a lot of fun and a most rewarding opportunity. You'll be employed alongside some marvelous co-workers and have the chance to develop skills in leadership, decision making, creativity, teamwork, problem solving, and working with people. Many of our past employees identify their years at Beth Tfiloh Camps as the single most important experience in their personal and professional growth. It is a place where people make life-long friendships and associations.

Please take a moment to review the information that follows to familiarize yourself with the various employment opportunities available here. We offer a variety of positions, ranging from entry level to those that call for a little previous experience, and others that require high-level skills and an extensive background in working with children and in staff supervision.

We'd also like you to visit the rest of our website which will give you extensive information about the camp organization and programs.

Elsewhere on our website you will find an employment application which can be [completed online and submitted electronically](#). Another version of the application is available to download and print out. Please include your resume if you have one, although this is not required.

If you're looking for a great summer and have something worthwhile to offer to kids, then you've come to the right place!

location

Our year-round office and most camp programs are located on our beautiful 60 acre property in Reisterstown. The Nursery Camp for two, three and four-year-olds and its Extended Day afternoon program are held at Beth Tfiloh Community School in Pikesville. Extended Day for Nursery Camp takes place at Old Court Road and Extended Day for Day or Specialty Camps takes place in Reisterstown.

dates

The dates of salaried employment for the 2019 season are as follows: 39 camper days between June 24 and August 16, plus 3 staff orientation dates: Wednesday, June 19 and Thursday, June 20 from 10 am to 4pm, and Sunday, June 23 from 9 am until noon. Bus counselors have an additional orientation before and after regular orientation on Wednesday, June 19. Camp will be closed on Thursday, July 4 in observance of Independence Day.

workday

The standard workday is 8:45 a.m. - 4:00 p.m. Staff should arrive earlier than 8:45 a.m. as all staff must be in place by 8:45 a.m. Campers do not arrive until 9:00. This 15 minute period allows staff to prepare for the coming day's work, do paperwork, and make sure that the campers who are arriving and leaving are safe and supervised. Employees who drive must therefore arrive by 8:45 a.m. and stay at least until the campers leave at 4:00 p.m.

benefits

Full-time staff members receive a camp tuition discount of 100% for one child, or 50% for one grandchild, **with the following exceptions:** if the child is registered for Hot Lunch or any Specialty Camp, all fees beyond the Day Camp tuition will be charged as scheduled.

criminal records check law

Each employee must complete the criminal records check process required by the State of Maryland of all persons who work with or around children in any capacity.

training

Employees will be reimbursed at the end of the summer for expenses incurred in successfully obtaining formal certification in their summer employment specialty area at the discretion of the camp director. This is paid only to those who successfully complete the full summer's employment contract. The camp also offers free training courses as part of the staff Orientation program. Staff must contact the camp office in advance of taking a course to get prior approval for a training course if reimbursement is desired.

transportation

Staff members are encouraged to make use of the camp's bus service which goes to many locations in the following ZIP codes: 21022, 21030, 21042, 21043, 21044, 21045, 21046, 21093, 21117, 21133, 21136, 21153, 21204, 21207, 21208, 21209, 21210, and 21215. Please be aware that we don't offer door-to-door transportation for staff, but with over 1,000 campers there are plenty of stops to choose from. Staff that drive may be required to park at a nearby satellite parking facility and come to the camp via a shuttle bus we will provide.

salary payment

Salary will be paid 4 times during the summer. There will be no exceptions to this pay schedule.

leave

Because this is short-term employment, there is no personal leave or sick leave. A salary reduction will be made for each lateness and absence regardless of the reason other than bereavement leave for a death in the immediate family. Employees will be charged for being absent due to sickness, injury, college orientation, family vacation, or any other reason. All absences must be approved by the camp director prior to signing a contract. Unapproved absences other than sickness accompanied by a doctor's note will be charged at double the staff member's daily rate. Unexpected absences during the camp season may be cause for dismissal.

per diem employment

All salaries quoted carry the expectation that the staff member will work the entire eight-week camping season including orientation days. Some instructor and instructor aide positions will be contracted for fewer than 8 weeks. Persons hired after the season begins are paid strictly on a per camper day basis.

prohibited substances

Beth Tfiloh Camps is a smoke free, alcohol free, and drug free environment.

types of jobs

All employees of Beth Tfiloh Camps can be divided into one of the following 3 categories:

1. **Counselors** Provide direct supervision to a group of campers.
2. **Instructors** Plan and lead activities in a single program area.
3. **Others** Have administrative, supervisory and other specialized support responsibilities.

Working at a camp is different than any job you'll ever have. The program is ever-evolving. Any staff member may be required to perform any job at camp other than the job for which he was hired if the Camp Director determines that this is necessary on a short term or long term basis.

counselor staff

Head Counselors and Co-Counselors supervise campers who are placed in permanent small groups (bunks). They help each instructor when the bunk goes to an activity, and provide general supervision during non-instructional times of the day. They may sometimes be expected to lead games and other independent bunk activities. Each bunk of campers is assigned a **Head Counselor and a Co-Counselor**.

Head Counselors are college graduates (usually teachers) and selected college upperclassmen (60 or more credit hours). Head Counselors provide direct supervision to their assigned bunk. They also communicate as necessary with camper families and supervise their Co-Counselors.

Co-Counselors work with a Head Counselor who is their immediate supervisor. Most college students and upper level high school students (entering grades 11 or 12).

instructional staff

Instructors and instructional aides teach groups of campers who come to them according to a regular schedule.

Instructors are almost always college graduates with specialized training and experience in the specific activity area. Other individuals may be instructors if they hold appropriate certification from a nationally recognized accrediting organization like the American Red Cross (for swimming or boating), NAA (archery), ACA (outdoor education), etc.

Instructional Aides work in specific activity and instructional areas under the direct supervision of instructors or other supervisors. They are either college students or high school students entering the 11th or 12th grade in the coming fall. These aides are expected to come to their positions with prior expertise and/or a high level of interest and motivation. Formal certification to document skills may often be required.

instructional areas

Program areas in which instructors and instructional aides work include:

Arts and Crafts	Boating	Campcraft	Sports	Dance
Drama	Lifeguarding	Nature	Archery	Cheerleading
Singing	Swim Instruction	Ropes Course	Zumba	Science

Several evenings of paid work in the course of the summer may be required when campers are scheduled for late stay activities. Bus counselors may not work late stays.

administrators, health aides, maintenance, and other support staff

Unit Heads supervise campers and staff of a unit, consisting of a particular camper age group or activity concentration. They act as the liaison between the camp director and their unit, and handle parent concerns. Unit Heads must almost always be college graduates with considerable experience in supervision, teaching, and camping or other areas of recreation.

Department Heads plan the programming and supervise the staff, and serve as instructors of a particular instructional area. They act as the liaison between the camp director and their department. Department Heads must almost always be college graduates or adults with significant experience relative to camping, formally trained in the area of instruction by the State Department of Education or certified by an approved certifying organization such as the Red Cross.

Camp nurses must be licensed RN's, certified in CPR and First Aid, and have experience working with children.

Office Aides, Health Suite Aides, and Maintenance Staff Aides must have skills appropriate to the position and may be of high school, college or post-college age.

supplementary job opportunities

There are "extra" jobs that are filled in the late spring. You can't be hired for one of these supplementary jobs until you are already hired for a "regular" position. These additional employment opportunities will enhance your salary and are listed below.

Bus Counselors - All staff who live in our transportation area are encouraged to ride the bus at no charge in return for helping with the supervision of the campers during the bus ride. One or two counselors on each bus, however, are specially designated as "bus counselors" for which they receive extra salary. These bus counselors have specific duties that include learning and practicing the route prior to camp, riding the entire route, helping campers on and off the bus, walking campers to and from the sidewalk, teaching and leading songs, communicating with parents, and distributing lost and found articles and camp notices.

Extended Day Staff - Some campers require after-hours care at our camp locations. Persons who work these extended hours receive extra pay. They must provide their own transportation to and from the camp. Extended Day program hours are 4:00 p.m. - 5:45 p.m. for full-day campers, and 3:00 p.m. - 5:00 p.m. for Nursery Campers.

Miscellaneous Jobs - We sometimes hire staff to perform other tasks, such as pool vacuuming, traffic duty, parking lot duty, etc.

the interview

Employment interviews are conducted at the Beth Tfiloh Camps' office at 400 Delight Meadows Road in Reisterstown.

After we receive your job application, we will contact you for an interview if your qualifications meet our needs. Dress casually for your interview unless you are already "dressed up" for some other reason. Allow 30 - 60 minutes for your interview. The interview will be conducted by a member of the administrative staff. In the case of application for an instructor's position, an additional interview (in person or by phone) with the Department Head of that instructional area may be required.
