At Beth Tfiloh Camps you'll make life-long friendships with opportunities for learning, growing, and just having plain fun. We welcome all kids from age 2 through entering 10th grade. Our camp programs are customizable and our teachers are enthusiastic professional counselors.

# USE OUR DOOR-TO-DOOR TRANSPORTATION

Beth Tfiloh Camps serve families from Baltimore, Howard, and Carroll Counties, as well as Baltimore City. For the majority of our campers, we provide door-to-door bus service to and from your home daily.

## NO NEED TO PACK A LUNCH

## SWIM EVERY DAY

Choose from instructional swim, recreational swim, or both! A triple-decker, double-barreled water slide adds excitement to recreational swim time.

# HAVE FUN ON THE WATER

On our lake, campers learn basic boating safety, captain their own paddle boat, and practice canoe and kayak skills under the watchful eye of certified waterfront staff. Campers get to ride the amazing zipline and 60-foot-tall-90-foot-long water slide — and more!

## EXPLORE CREATIVITY

Art educators guide children from the basics to advanced techniques in arts and crafts, including jewelry making, painting, and leather craft. Older campers also enjoy activities such as ceramics, weaving, and copper enameling.

## BUILD SPORTS SKILLS

## **SURVIVE & THRIVE IN THE WOODS**

Our two state-of-the-art, three-story climbing towers include climbing wall, giant swing and zipline. Complementing our towers are over twenty low ropes activities and a third rappelling wall leading to a 300-foot zipline over our lake. Our ropes challenge course safely encourages personal growth, develops leadership, and teaches team-building skills.
