

# FinancialAid/Campership

## Summer 2026

Thank you for your interest in Beth Tfiloh Day Camps. The Camp Committee looks forward to receiving your application.

Unlike other summer programs, Beth Tfiloh Camps does not receive support from any public funds or private foundations. Camp operates entirely on revenue derived from camp fees and relies solely on those fees to pay all camp expenses. For these reasons, Beth Tfiloh Camps is limited in the amount of financial assistance it can provide to camper families. **Financial aid/campership is not available for Nursery Camp.**

If you decide to apply for financial aid/campership, use the checklist of items below to ensure you have all required materials necessary for consideration. In order to process your application, **please email all completed, required, documentation listed below, in its entirety, via email at [office@btcamps.org](mailto:office@btcamps.org) BEFORE March 1, 2026.**

- ☐ The **2026** financial aid/campership application, completed.
- ☐ A **completed 2026 registration for each camper for whom you are requesting aid**, meaning, your camper(s) must already be enrolled in BT Camp to be considered for financial aid/campership for summer 2026. A minimum of a \$250.00 deposit plus the \$125.00 mandatory health/safety/security fee must have been paid at the time of each registration. Per camp policy, all monies, except for any non-refundable deposits, are refundable **prior** to March 1, 2026.
- ☐ A copy of a completed **2025 1040 tax return** as applicable from each member in the household.
- ☐ A copy of any/all **2025 W2s** as applicable from each member in the household.
- ☐ A copy of any/all **2025 1099s** as applicable from each member in the household.

Families must either pay in full for camp at the time of registration for each camper or make the required monthly payments, as per terms detailed on the application, while awaiting their financial aid/campership offer decision. If families pay in full, any financial assistance granted will be refunded to the credit card on file in CampMinder that was used to pay for the registration(s). For families making monthly payments, the financial assistance will be deducted from your remaining balance. If financial assistance is awarded and you cancel any camp time, for any reason, you remain bound by the refund policy in effect at the time of cancellation and your assistance will be reduced accordingly. Decisions regarding financial aid/campership will be emailed after the Campership Review Committee convenes, usually by March 30<sup>th</sup>.

If we are unable to give you the funds that you need, many area agencies and congregations have funds available for Jewish camp experiences and some rabbis will use their discretionary funds for this purpose should you choose to pursue that option. We do not accept vouchers as payment for any of our camp programs and/or associated fees.

As always, if you have questions, please feel free to contact the camp office at 410-517-3451.

Shalom,

Emily Levin

I/We understand that Beth Tfiloh Camps does not have a formal financial aid program. Beth Tfiloh, unlike some other area camps, does not receive campership funding from The Associated or any other community foundations. I am applying for a campership because my camper(s) will definitely not be able to attend Beth Tfiloh Camps without financial aid. I understand that this is not a discount and is aid designed to help those experiencing financial hardship. I/we will hear whether any campership will be offered by March 30th. Therefore, I/we understand that I/we should continue looking for other summer opportunities. In the event that a grant is made, it is for the upcoming camp season only and does not indicate an ongoing commitment.
